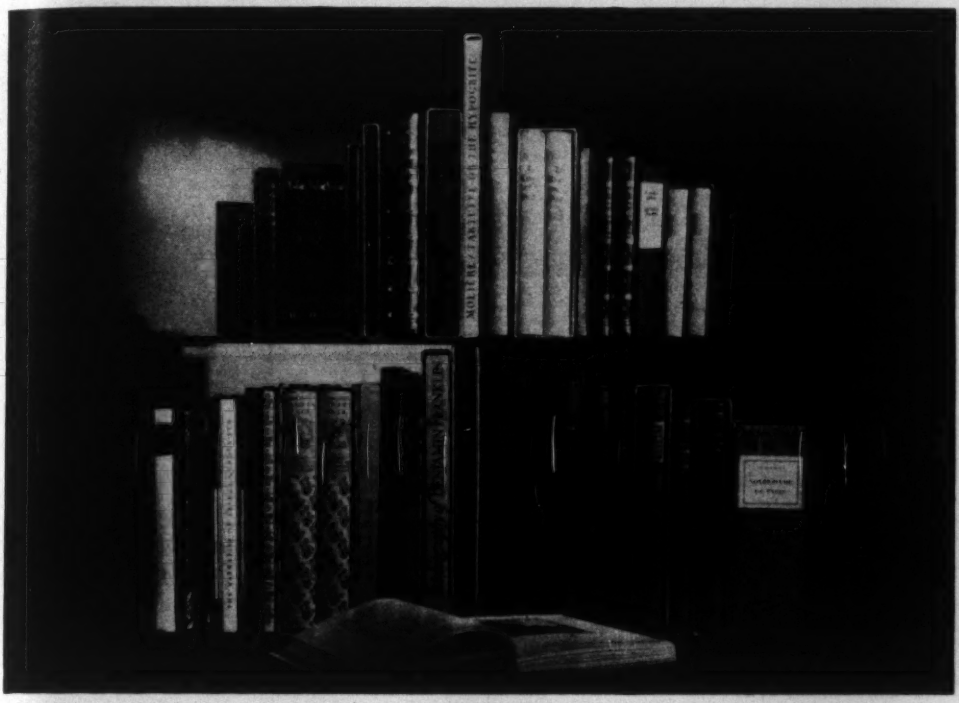
"Performing a notable service in bringing beautifully fashioned books within the reach of the average book buyer."—THE NEW YORK TIMES BOOK REVIEW



THE LIMITED EDITIONS CLUB

announces its FOURTH SERIES....

FOR three years a selected group of lovers of beautiful books has been participating in a remarkable cooperative enterprise.

During this time they have been securing the cream of current fine limited editions: the work of the foremost designers, illustrators and printers throughout the world, selected, planned and produced *for them* exclusively.

They have been adding to their libraries the greatest literary works of all time, in volumes of typographic excellence unsurpassed in our day. And, because of the cooperative nature of the enterprise, they have been acquiring these books at a cost so low as to amaze dealers in fine editions.

NOW the fourth series of these notable volumes is announced, publication to begin immediately; and for a brief time *you* are offered the opportunity to become one of the limited group to receive them. They are being printed by presses located *in the outstanding printing centers of the entire world.* Three continents are represented, each offering the creations of its finest artists and craftsmen.

These books will go *only* to members of The Limited Editions Club. They will *not* be sold individually in open market, or in bookshops.

You, too, if you decide to embark on this interesting book adventure, will know the joys and the thrills of owning, and showing to your friends, volumes which are unique. You will delve into their contents again and again and you will delight in the texture of hand-made papers, in beautiful types and illustrations. Not least, you will enjoy a definite, substantial saving on each volume.

The membership is limited; write *today* for full information to: MR. HOWARD MUNSON, in care of
